

Sexy G-String

by Rikka Mitsam

Ever thought of crafting something really sexy? Crocheting can be so sexy...

A few months ago I stumbled over these nice little g-strings and thongs and all the other sexy underwear polish women crocheted. I tried to find a pattern but had no luck and I guess that many other crocheteers would like to make some naughty little things like this. So I decided to create my own pattern for a pineapple g-string.

I used light fingering mercerized cotton thread so I can wash my g-string in the machine. It wears out a little at the binding ribbons and I still have to think about working in some elastics.

As I prefer working with charts I tried to sketch a chart... I hope it's readable! The string is worked from the back side to the front in one piece. The ribbons are attached afterwards at the back pineapple. You can easily vary the size but I think one size fits most.

Materials:

yarn: 1 ball cotton crochet thread, 50 g 260 m (you need only 20 g)
hook size 2 mm, tapestry needle

Stitches:

chain (ch), slip stitch (sl), single crochet (sc), double crochet (dc), bobble stitch (bs), yarn over (yo).

How to work the bobble stitch:

Start by making a double crochet stitch in the foundation chain and stop when you have 2 loops on the hook. Now start making a second dc into the same stitch: Yo, insert hook, yo and pull through, yo and pull through 2 loops, then stop. Make a third dc in the same stitch without finishing it off, just as before, and stop when you have 4 loops on the hook. Now yo and pull the strand through all 4 loops on the hook. Finish!

How to work the first bobble stitch in a row:

Start by making ch 3, then work a bobble stitch with only 2 dc. When you have 3 loops on the hook, yo and pull the strand through all loops. Finish!

Start with the back side pineapple:

- Row 1: Ch 15, bs in 4th st from hook ch 2 bs in the same st, ch 3, skip 3 st, sc, ch 4, skip 2 st, sc, ch 3, skip 3 st, (bs, ch 2, bs) in the last ch.
